Dear Parents and Carers

Ofsted Inspection Report

We wanted to share with you the judgement of Walthamstow Academy's recent ungraded Ofsted inspection which found that the school continues to be 'Good'. This is a very strong judgement which reflects the high standards which have been set across the academy.

In their report, inspectors were highly complimentary about the academy particularly about the quality and breadth of the curriculum, the effectiveness of safeguarding arrangements and, importantly, how well students behave in lessons and around the school. The inspectors also highlighted the strength of the academy's career guidance and the range of work experience opportunities which are available to students ensuring they are well prepared for further education and successful careers.

We are pleased to read that students enjoy attending Walthamstow Academy. Under Ms Skae's leadership, Walthamstow Academy is a thriving, successful and ambitious school which seeks to give students every opportunity to thrive. We have every confidence it will continue to go from strength to strength over the coming years.

May we thank you for your continued support of Walthamstow Academy.

Yours sincerely
