Surveys running in November

Throughout November our school will run two surveys:

Survey	Launch Date
Pupil	Monday 2nd November
Staff	Monday 9th November

All you need to know to complete the surveys

What	When	How
Pupil survey	**2nd November** to **4th December**	Pupils will use a unique login code to access the survey online
Staff survey	**9th November** to **27th November**	Staff will receive an email invitation from Edurio with a personalised survey link

Why are we running the surveys?

One of United Learning's guiding principles is **Continuous Improvement** – however good we are, we can be better.

Gathering and acting on feedback is essential if we want to improve our school as a provider of excellent education to the pupils in our care, but also as a great place to work.

What counts as an extracurricular activity?

Extracurricular activities are opportunities to get involved in school life **outside your normal timetabled lessons**.

These could include:

- **Sports:** Football, netball, basketball, athletics **(including playing table tennis/cricket/football at lunch time)** or representing the school in competitions
- **Creative activities:** Drama productions, music clubs, choir or art clubs
- **Lunchtime and after-school clubs:** Chess, reading, debating or other interest-based clubs
- **Leadership opportunities:** Student Council, Junior Leadership Team or helping to organise school events
- **Other opportunities:** school performances and enrichment activities

Why do they matter?

Extracurricular activities help you develop confidence, teamwork, leadership and new skills. They're also a great way to make friends and try something different!

PSHE & RSE: Learning for Life

PSHE & RSE at Walthamstow Academy

- Preparing you for life, not just exams

Our PSHE and RSE curriculum helps you develop the knowledge and skills to:

- Make informed decisions
- Build healthy, respectful relationships
- Keep yourself and others safe
- Look after your wellbeing
- Prepare for life beyond school

Why is PSHE/RSE important?

- PSHE and RSE help us in everyday life, not just in school.
- Safety: Recognising risks and knowing how to seek help
- Relationships: Building positive friendships and respecting boundaries
- Wellbeing: Looking after our physical and mental health
- Future: Preparing for employment, independence and adult life

What is PSHE?

- PSHE = Personal, Social, Health and Economic Education
- PSHE helps you understand the world around you and make positive choices

We learn about:

- Mental and physical health
- Online safety and social media
- Friendships and relationships
- Careers, money and future opportunities
- Citizenship, rights and responsibilities
- British Values and living in modern Britain

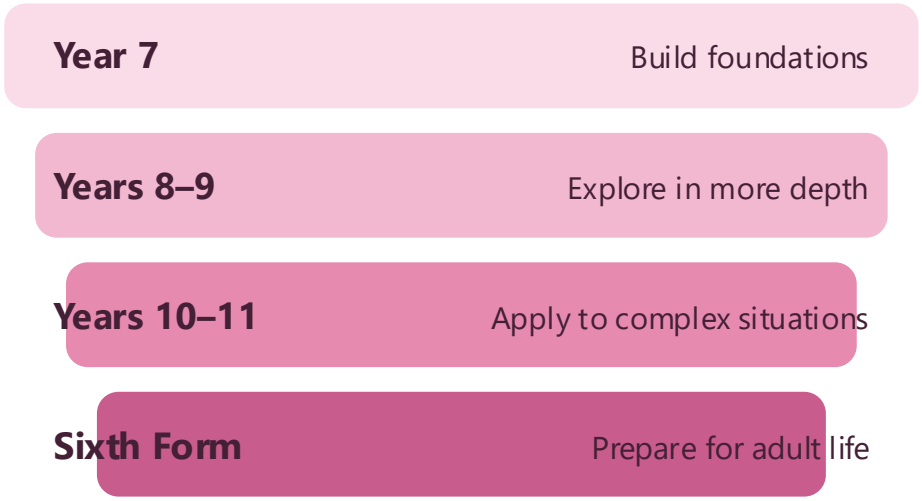

What is RSE?

When you have an activities day in school and Talk Consent come in to talk to you, this is part of RSE!

- RSE = Relationships and Sex Education
- RSE helps us understand how to build safe, healthy and respectful relationships

We learn about:

- Healthy and unhealthy relationships
- Consent and personal boundaries
- Respect, equality and discrimination
- Recognising harassment and harmful behaviour
- Sexual health and making informed choices
- How and where to get support

We revisit topics, building our knowledge each year.

This means:

- We don't just learn something once
- We revisit important topics as we get older
- Each time, we build on our previous understanding
- We explore more complex situations and develop new skills
- Example: Learning about healthy relationships in Year 7 might develop into more detailed learning about consent, coercion and relationship safety in later years

How does our learning progress?

Example: You learn about healthy relationships every year, but WHAT you learn is slightly different

Earlier learning	Later learning
What makes a good friend?	Recognising unhealthy or controlling behaviour
Understanding respect	Consent and personal boundaries
Being kind and inclusive	Challenging harassment and discrimination
Knowing who to ask for help	Understanding how to report concerns and access support

Keeping yourself and others safe

Through PSHE and RSE, we learn to:

- Recognise when behaviour is inappropriate or unsafe
- Understand consent and respect personal boundaries
- Identify bullying, harassment and discrimination
- Make safe choices online and offline
- Speak to a trusted adult when something doesn't feel right
- Remember: If something is worrying you, speak to your tutor, Head of Year or a member of the safeguarding team

Turn and Talk

- What PSHE or RSE topics have you studied recently?
- Can you remember learning about a topic in a previous year?
- How has your understanding developed as you've got older?
- What is one thing you've learnt that could help you outside school?
- Who would you speak to if you needed help or advice?

Remembrance Day

Armistice Day was on **11 November** and is also known as Remembrance Day.

It marks the day **World War One** ended, at **11am on the 11th day of the 11th month, in 1918**.

A two-minute silence is held at 11am to remember the people who have died in wars.

Remembrance Day
Poppy Appeal

Sixth Form students will be visiting tutor groups this week and next week to collect donations for the **Poppy Appeal**.
You can make a contribution (bring cash) and receive a poppy to show your support and remembrance for those who have served.

All proceeds go to charity.

Remembrance at Walthamstow Academy

- Across the UK, 2 minutes' silence is held at 11am on both 11th November and Remembrance Sunday
- We will hold our Act of Remembrance at **10:18am during line up on Wednesday 11 November. <u>Y7 – Y13 will all attend</u>**
- When the bell rings at 10:15am (end of break) all students should walk with pace and purpose to the cage, and line up as normal
- Sixth Form students will line up in their fire drill lines
- Please **be silent and respectful** as we honour all the people who have risked and given their lives in service
- Think about families who are **missing loved ones**
- **Remember** there are people serving now

The cage will be closed at break time on this day

What is the Act of Remembrance?

- **The Exhortation is recited:**

They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.

- **The Last Post is sounded.**
- **The Two Minute Silence is observed.**
- **Reveille is sounded.**
- **The Kohima Epitaph is recited:**

When you go home, tell them of us and say,
For your tomorrow, we gave our today.

JACK PETCHEY ACHIEVEMENT AWARD
