# What am I excited about?

Starting a new school means having exciting new experiences, trying new things and meeting new people.

Think of all the things that you are excited about when you think of starting your new school.

# Key Terms

Here are three words that might be new to you and are important to know. Below them make a list of any other new words that you come across from either your summer work, this passport or our website and we will explain what they mean in September.

**Tutor**- The teacher you go to at the start of the day for the register to be taken

**Period** – Lesson, so Period 3 would be the 3<sup>rd</sup> lesson of the day.

**Head of Year**- A Teacher who is head of all your year groups form tutors and someone who can help with any issues.

# Being Prepared

When you start at Walthamstow Academy you will be expected to follow your own timetable of lessons, bringing the correct equipment for that day, including homework.

This timetable is similar to the one you will get when you start in September. Have a look at the timetable and try and answer the following questions...

1. On what days will you need to bring your P.E Kit?

---

2. What room do you have your English Lessons in?

---

3. How many times a week do you have Maths?

---

4. After what period, do you have lunch?

---

5. When do you have Drama?

---

6. In which rooms do you have Geography?

---

# Summer work for Walthamstow Academy

Some of the teachers at Walthamstow Academy have put together some project work for you to complete over the summer holidays before you arrive in September. All of the work can be found here if you click [here](#). Try to do as much of it as you can, some tasks you will find easier than others. It is ok, if you cannot complete all of the work, but it is important to give it your best. In September **Ms Jackson (Head of Year 7)** will give you instructions with what to do with your completed work. Once you complete some work, make sure you tick it off in the table below.

Summer work	Completed?
Art and Design project	
Maths transition	
Maths Booklet 1	
Maths Booklet 2	
English Summer Project	
Poster competition
