Supporting Parents with their child's university application

Year Group : 12, 13

Dear Parents and Carers,

I would like to inform you about a **free opportunity** to gain some insight and advice about how you can best support your child with their university application

Included in this letter are links to two **free to access live online parent conferences** in October offered by UCL (University College London). The conferences are designed to provide parents of students in Year 12 and in Year 13 with all the information they need to support their child through to university. These opportunities are offered as part of UCL's Widening Participation scheme and are **designed to support all university applications**, not just those for UCL

The upcoming free events can be accessed here [page](#) or by using the links below, or by typing "**ucl parents online**" into a search engine

Y12 - Your child's journey from 6th form to university

- 19th October 2022: 6pm – 7pm

[Y12 Parents Session Booking form](#)

Y13 - Application process and university choices for parents

- 18th October 2022: 6pm - 7pm

In order for us to continuously improve the level of support on offer to parents, it would be very helpful if you could let me know by email if you are planning to attend any of the events. This will allow us to refine or modify future offers of this type.

Yours sincerely
