## Year 11 parents evening

Dear Year 11 Parents and Carers,

Year 11 Parents Evening will take place on **Thursday 10 November from 4.30-7.30pm** at the Academy. We are excited about returning to face-to-face parent evenings as they give you the opportunity to access your child's books, coursework, folders etc and take a deep dive into your child's progress with their teacher.

We know that virtual parents' evenings were successful as you didn't have to wait in a line, and it all ran to time, so we are trying to replicate this in our face-to-face evenings also. Therefore, you will be able to use school cloud to book a 5-minute slots. On the evening, each teacher will have a timecard on their desk as a reminder of the length how long their appointments will last, and this will hopefully make everyone keep to time, so queues don't build up. This is an opportunity to talk about your child's progress, achievements, assessment results and ask any questions you may have but if your allocated time is not long enough, please feel free to request a follow up call with your child's teacher. In preparation for parents evening, you could read our curriculum journeys (click [here](#)).

Please click [here](#) as a reminder of how to book appointments on school cloud. Please do bear in mind that appointments for certain teachers can fill up quickly due to some of our teachers teaching multiple classes, so please book your appointments as soon as you can to avoid any disappointment. Please also note that for some subjects your child will have more than one teacher.

The booking system will go live at 9am on 1 November. You can book appointments by clicking on the following link and entering the email address you have provided to the school: <http://walthamstowacademy.schoolcloud.co.uk/> If you have any problems accessing your account, please don't hesitate to contact our IT manager at [Elton.crasto@walthamstow-academy.org](mailto:Elton.crasto@walthamstow-academy.org).

On behalf of all your child's teachers we really look forward to meeting with you!

Regards,

Andrea Campbell  
Assistant Principal
