Free Saturday Morning clubs Supporting Students with their Creative Interests

Dear Parents and Carers,

I would like to inform you about a **free opportunity** for students aged 13-16 to join a variety of university endorsed Saturday morning clubs in the local area.

The Saturday Clubs are run by University Tutors and Industry Professionals and feature hands on activity sessions, projects, masterclasses and a Summer Exhibition of students' work.

Each club runs from around 10am until 1pm every Saturday morning during term time. The programmes run for up to 24 weeks allowing students to really extend and develop their creative interests and skills. The programmes cover a wide range of creative skills and careers and include:

- **Art & Design**
- **Film & Media**
- **Fashion & Business**
- **Science and Engineering**
- **Society & Change**

Applications are open now for all programmes and can be accessed via this link, or type "**saturday-club.org**" into your internet address bar **National Saturday Club**

Yours sincerely
